

Valued Justrite Distributor:

15 June 2018

As a recognized authorized Justrite distributor, this correspondence provides notice pursuant to California Health and Safety Code section 25249.5 et seq. ("Prop 65") and one of its enabling regulations at 27 CCR § 25600.2(b) (effective 30 August 2018). This notice pertains to any sale of Justrite products into California.

The products indicated in the file hyperlinked from this email, with Justrite SKU number, and description, require a Prop 65 warning for any sales into California. Click here [[hyperlink](#)] to view affected products.

Justrite will provide the necessary warning on the product labels, on its website, and in all future printed publications. Distributors are expected to convey identical warning language in their printed literature as well.

Since Justrite has already labeled its products, this satisfies the requirements of Prop 65 for any sales in Californian brick-and-mortar stores.

For Justrite distributors who sell online, the warning language for products sold must be shown to the online consumer prior to completing the purchase, and should also be provided on the product display page with a clearly marked hyperlink using the word "**WARNING**," or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase, e.g.:

⚠ WARNING: This product can expose you to chemicals including _____ [e.g. lead], which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

As a condition of distributing Justrite's products to retail sellers:

- a. The distributor acknowledges that it is an authorized agent, for purpose of complying with Prop 65, of any retail seller to whom it distributes Justrite's products. Under the Prop 65 regulations, this means that the distributor is authorized by the retailer seller(s) to receive Prop 65 notices from manufacturers.
- b. The distributor agrees to provide Justrite's Prop 65 notice to any retail seller that is allowed to sell Justrite's products.
- c. The distributor agrees to indemnify and hold harmless Justrite for any liability if the distributor fails to provide the Prop 65 notice (which is provided by this notice) to an authorized retail seller, and distributor also indemnifies Justrite if the retail seller fails to provide the notice.

Justrite requires your confirmation electronically, or in writing, of receipt of this notice. Click the appropriate button below for acknowledgement. If Justrite does not receive confirmation, we will be unable to ship products to you after the effective date, 30 August 2018.
