Subject: AMBITEX® Glove Compliance with California Proposition 65

To Whom It May Concern:

Proposition 65 is a law that applies to products sold only in the state of California. As an industry leader, protecting those that depend upon our products is a responsibility we take seriously.

In October 2017, 2-MBT was added to Proposition 65. This letter serves as notification that our AMBITEX® latex and nitrile disposable gloves are 2-MBT free and therefore, California Proposition 65 compliant.

For more information on the compliance of our gloves, please contact our customer service department at 1-800-GLOVES-0 (456-8370).

Sincerely,

A handwritten signature in black ink that reads 'Marie Wlodarczyk'.

Marie Wlodarczyk
